Leading global action on ageing

HelpAge International is a global network of not-for-profit organisations with a mission to work with and for disadvantaged older people worldwide to achieve a lasting improvement in the quality of their lives.

We produce a range of publications to improve understanding of the issues facing older people. This publication has been provided to you free of charge, but we would welcome a donation of £15 towards production and distribution costs.

We can accept International Money Orders, postal orders, or cheques from a UK bank, made out to 'HelpAge International'.

You can increase the value of your donation with Gift Aid. If you are a UK taxpayer, HelpAge International can claim back the tax you pay on your donation, increasing its value to us, but at no extra cost to you. All you need to do is let us know when you make a donation. This will allow us to claim back the tax on all future donations. If your circumstances change or you wish to cancel, just write to us.
